## @SHORESIDE1234

**The end of our fifth half term is upon us which provides us with another opportunity to look back over some great events and learning from the past six weeks.**

**The academic year often seems to go very quickly and this year is no exception. When we return after half term, we will be into our final units of work, our final events of the year and we will be doing our transition work for pupils as they prepare for the next stage of their school life.**

**Before we get to there, we are excited to look back over some great moments from Summer 1, including lots of sporting successes for the school. This directly links to our focus for #SoaringFutures which for Summer Term is Sport.**

**In addition to all of the above, we were so proud to write to families this week announcing our success in achieving the Inclusive School Award from the IQM. This is a huge moment for our school after a two year journey towards the award. We are incredibly proud of being such an inclusive school and thank everyone in our community for their support in this.**

**Have a wonderful half term!**

# Updates

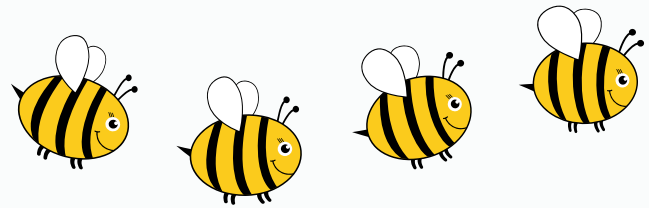

## World Bee Day Wednesday 20<sup>th</sup> May 2026

Year 5's class charity is Bebe's Hive and to help raise funds, we joined in with lots of the Southport Community in marking World Bee Day on Wednesday 20<sup>th</sup> May.

We invited pupils to wear yellow and bring in £1. Thanks to your donations we raised £213.40 to go towards the fantastic local charity.

In the morning, Year 5 and 6 pupils were visited by Southport and Formby Beekeepers Association. In the afternoon, Mrs Monahan shared an assembly with the whole school about bees and their importance in our ecosystem.

Thank you Year 5 for organising this special day and raising funds!

## Trim Trail - Coming Soon!

In case you missed the announcement on our weekly blog, we are absolutely thrilled to confirm that, thanks to generous contributions from our brilliant PTFA, we now have a confirmed date for the installation of a brand new trim trail.

The design, which was selected by our School Council, will be installed in the penultimate week of June meaning there will be some weeks remaining this term for children to enjoy it before we finish for summer! There is a sneak preview of our new design pictured on the left. Watch this space!

# SPORT STARS

### Summer 1 Highlights (from top to bottom):

Thanks to a comprehensive 4-0 win in the semi finals, Y6 footballers made it to the final of the Loveridge Cup and the final was held at Southport FC's group Haig Avenue! Unfortunately it wasn't our day and we were beaten but it was an incredible achievement to reach the final.

Our Year 6 pupils did a wonderful job in Week 5 as they completed their SATs tests. We are very proud of each and every child for their determination throughout the week.

### Summer 1 Highlights (from top clockwise):

Year 3/4/5/6 pupils had a fantastic evening as they represented Shoreside at the annual cross country event.

Year 6 pupils had a magnificent day at the beach last Friday to celebrate the end of SATs Week.

Thank you to all of the families who joined us for our Sports Day on Monday in Week 6. Our pupils did a brilliant job as they competed in races, as well as taking on a range of different throwing and jumping activities.

### Summer 1 Highlights (from top clockwise):

Some pupils from Year 5 visited a museum in Liverpool this week as part of a special report filmed by CBBC's Newsround. The pupils became TV Stars for the day. Watch this space for their TV appearance!

Pupils across school brought in amazing homework projects at the start of the term. Our Summer 2 projects will be sent out after half term so keep your eyes peeled for these!  
Year 5/6 pupils welcomed Southport & Formby Beekeepers Association into school to mark World Bee Day on Wednesday 20<sup>th</sup> May.

**Events in green are for parents to attend  
(specific year groups for some events as listed).**

**Some events have a NEW! logo next to them. These are dates that were not set in the original Key Diary Dates document that was shared at the end of the last academic year. However, for events which parents are invited (CU Graduation, Wally Cain and Music Concert) these dates have been separately communicated via ParentApp.**

**All children return to school on Monday 1<sup>st</sup> June 2026.**

SEE YOU  
soon!

Please find information about NHS Attend Anywhere sessions 11.06.2026 @ 13:00-16:00 to support parents with any concerns they have around their child's health. There will be a number of nurses available to take any calls. You do not need to book an appointment!

## School Health Team North - Sefton

### Video calling is convenient and easy to use

Instead of travelling to your appointment, you will enter the online waiting area, using the link below.

The service will see that you have arrived, and a provider will join your call when ready.

There is no need to create an account.

Video calls are secure and your privacy is protected.

### How do I attend my video appointment?

Go to: <https://nhs.vc/schoolnursesseftonhamptonrd>

**IMPORTANT**

### What do I need to make a video call?

**A device** for making a video call, such as a smartphone, tablet, or computer with a webcam and speaker (often built into laptops).

**A reliable internet connection** (wired, WiFi or mobile data).  
If you can watch a video online, you should be able to make a video call.

**A private, well-lit area** for your consultation, where you will not be disturbed.

Use the latest version of **Chrome, Safari, or Edge** for best video calling performance.

Google Chrome  
Windows, Android,  
MacOS

Apple Safari  
MacOS, iOS,  
iPadOS

Microsoft Edge  
Windows

## What do I need to know?

### Is it secure / confidential?

You have your own private video room that only authorised providers can enter.

No information you enter is stored.

### How much does a video call cost?

The video call is free except for your internet usage.

**Tip!** If you can, connect to a Wi-Fi network to avoid using your mobile data.

### How much internet data will I use?

The video call doesn't use data while you are waiting for someone to join you.

After the call connects, it uses a similar amount of data to Skype® or FaceTime®.

## How do I make my video call?

**1.** Open your web browser and type the service's web address into the address bar (not the search box).

**2.** Depending on the available controls you may either:

- Click the **Start Video call** button and select your Waiting Area, or

- Click **Enter Waiting Area**.

**Enter Waiting Area**

**3.** If asked, allow your browser to access your camera and microphone.

**4.** Follow the on-screen prompts to start your video call.

**5.** To end the call, click **End**.

**Tip!** Many call issues can be fixed by clicking **Refresh**.

**Refresh**

**End**

**Tip!** If a **Test call** button is available, make a test call before your appointment to check your setup.

**1.** Click the **Test call** button to run a quick test:

**2.** If asked, allow your browser to access your camera and microphone. The **Video call setup** runs through four testing stages: microphone, camera, connection, and speaker.
