Sports Premium Tracker 2025/26

Shoreside Primary School

Published: Monday 27th July 2026

We feel very strongly that physical activity and achieving in PE are very important.

We have high expectations around the planning and delivery of our PE curriculum and children's engagement with PE and physical activity. We expect all children to wear the school PE kit for their PE lessons.

Our Aim

To use Primary PE and Sport Premium funding to make additional and sustainable improvements to the quality of our PE, School Sport and Physical Activity (PESSPA). We will do this by building capacity within our schools to ensure that improvements are sustainable and will continue to benefit current and future pupils. We will develop and add to the PESSPA activities that we already offer.

Key Areas

We will:

- increase confidence, knowledge and skills of all staff in teaching PE and sport (CPD)
- increase engagement of all pupils in regular physical activity and sport
- raise the profile of PESSPA across school
- aim for inclusion of all pupils in a range of sports and physical activities
- increase participation in competitive sport (competitions)

Our PE Curriculum

A wide range of PE is delivered, which aims to engage and inspire all pupils. We believe in embedding positive experiences of PE and sport, through providing opportunities to take part, play and compete in a range of activities in order to enhance pupils' understanding of and ability to lead prolonged active and healthy lifestyles. We are fully committed to ensuring that all pupils receive well-planned PE sessions delivered by a PE specialist and supported by confident and well-trained staff. We have an up-to-date PE scheme of work to reflect the requirements of the National Curriculum.

Pupils at Shoreside Primary receive 1 x half day curriculum PE lesson each week. The curriculum lessons are taught by our specialist PE teacher, class teachers or specialist coaches from local sports clubs.

Sustainability

We aim to use our Sport Premium funding to create a sustainable curriculum for all children. Some of the money provided by the funding will be invested in the professional development of staff and as a result will enhance the quality of teaching for all children. We invite different specialists into our school, who coach teachers and work alongside them in a range of sports. Due to their influence and expertise, all teachers will have the chance to develop their teaching of PE and will team-teach with a specialist to increase their knowledge, skills and confidence.

As well as our regular PE lessons, we provide a range of sport based competitions, activities and lunch time activities to enhance interest and engagement in sport across the school, including our popular weekly Shoreside Lunch Run. We provide annual sports-days for EYFS, KS1 and KS2 as well as intra-trust competitions in which children join with pupils from other REMAT schools. We also take part in local leagues and tournaments to compete against other local schools. This year, we have expanded our offer of intra-trust competitions so that they focus on a wider range of games and sports, and also so that each competition is focused on either 'excellence' or 'aspire' in order to ensure that participation is not limited to those children who may be more naturally gifted.

Participation

The school is keen to provide a wide range of extra-curricular clubs for pupils. We have a number of sports teams that compete in local competitions against other schools, including girls and boys football, swimming, dodgeball, basketball, netball, athletics and cross-country. After school clubs include KS1 & KS2 multisports, dance, football and netball. We regularly signpost particularly talented children to local clubs e.g. athletics, football, cricket, basketball, swimming, gymnastics, netball and tennis. We also attend 'aspire' competitions aimed at engaging SEN pupils with sports and PE. As well as our regular PE lessons, we provide a range of sport and PA based competitions and activities, in the form of 'PE Team of the Week' and 'Head, Hands & Heart' awards.

Sports Premium Summary Costs

The aims of our spending are to:

- Develop fitness and well-being through the participation of high quality lessons.
- Provide opportunities for pupils through after school sports clubs.
- Develop sporting excellence by providing targeted extra-curricular clubs.
- Develop sporting excellence through a range of activities to enable children to compete.

The following table documents that are spent using the Sports Premium fund. It also tracks the impact that this has on pupils at school.

Total amount of Sports Premium funding received for 2025/26		£17,480		
Date	Product/Service	Cost	Impact <i>Please include any quantitative data to support the impact</i>	Sustainability for the future
Sept 2025	Get Set 4 PE curriculum	£585	Planning and resources to ensure high quality lessons and interventions are being taught by all staff.	Curriculum to be used for many years to come.
Sept 2025	School Games Programme	£250	All children in KS2 had the opportunity to attend tournaments outside of school.	We have achieved the Schools Game Mark as a result of our participation.
Sept 2025	SPSFA Football Subscription	£30	Enables the boys and girls football teams to actively participate and compete in local school leagues and tournaments. We have had 2 players represent the school at county level as a result of our subscription and promotion of available pathways.	Maintains an ongoing relationship with the local football association, securing future competitive pathways for subsequent cohorts.
2025-2026	Transport for tournaments/competitions (mileage/coaches)	£2507	Children have taken part in a wide variety of competitions and sporting experiences to provide enrichment activities for the teams.	Playing against other schools and going to watch outside sports teams competing instills skills in the children for competitions and rivalry situations they may encounter throughout their lives. They will also provide life-long

				memories.
September 2025	Equipment to set up extra-curricular clubs	£2120	Directly facilitates the running of diverse after-school clubs such as multisports, dance, football, and netball, increasing overall pupil engagement. 82% of all children in 25/26 who were eligible to attend an extra-curricular club joined at least one.	High-quality physical equipment can be reused for several academic years to support future clubs without requiring repeated funding.
2025-2026	Staffing for extra curricular clubs	£2750	Provides expert coaching and supervision, allowing a wider range of pupils to participate in targeted sporting excellence and well-being activities.	Increases pupils' confidence and enjoyment of extra curricular clubs promoting future participation.
March 2026	Swimming Gala	£60	Opportunity for children to compete in the annual Sefton swimming event.	Fosters long-term water safety skills and confidence, actively supporting the school's ongoing requirement for Year 6 pupils to be confident in water.
May 2026	Sports Equipment	£1091	Equipment to be used in PE lessons and delivering the PE Curriculum.	Durable items will remain in the school's inventory for years to come, continuously supporting extra-curricular activities and reducing future capital expenditure.
June 2026	Repainting of netball courts	£35	Creates a safe, clearly marked,	The painted markings will ensure

			and inspiring outdoor environment for PE lessons, playtime activities, and the after-school netball club.	that future cohorts have access to high-quality sports facilities.
June 2026	Internal CPD	£750	PE Lead attending internal CPD and working within the PE network.	Investing in professional development permanently enhances the quality of teaching across the school; staff will use these improved skills for the rest of their careers.
2025-2026	Additional Sports Resources	£7302	Ensures that the school has the necessary volume of resources to deliver high-quality, inclusive PE lessons and engaging activities like the Shoreside Lunch Run.	Creates a comprehensive inventory of resources that perfectly aligns with the Get Set 4 PE scheme of work, ready to be used by all staff for many years.
Total amount of Sports Premium funding spent in 2025/26		£17480		

Percentage of Y6 pupils who can:	
Swim 25m	72%
Use a range of strokes effectively	10m front and back only – 75% 25m front and back only – 61% 25m front back and breaststroke – 47%
Perform safe self-rescue in different water based situations	Treading water collecting brick – 72%
